- LAW 5522 Legislation & Regulation (3 hours)
- LAW 5716 Closely Held Business Organizations (3 hours)

Note on Cross Credit: Because a joint-degree allows a student to complete each curriculum by taking fewer hours overall, each program will require that certain courses be taken from the other curriculum to cover the number of hours reduced from their respective curriculum. These courses are part of the respective program's curriculum and are not counted toward the credit requirement for the other curriculum. They may or may not be included in the normal core requirements of the respective program's curriculum.

Conferring of Degrees

Students in joint-degree programs receive both degrees concurrently. Students may not be certified as a graduate without having completed the graduation requirements in both the College of Law and the College of Business. This includes the Law upper-level writing requirement, the skills training requirement, and the pro bono requirement.

Residency Requirement

Unless otherwise approved by both advisors and the College of Law Associate Dean for Academic Affairs, students enrolled in joint-degree programs must earn a minimum of seven semesters of residence credit. Based on the College of Law formula for determining residency, one semester of residency credit is earned for every 12 credit hours of courses taken in the Colleges of Law and Business.
