

joint-degree program law and social work

The College of Law and the College of Social Work joint-degree programs in law and social work, J.D./M.S.W., permit the completion of both degrees concurrently. Current law students must meet with and submit all documents for admission to the College of Law Joint-Degree Coordinator before **June 1st** of their first year of law school. The College of Law Joint-Degree Program Coordinator will then submit their completed packet to the College of Law and the College of Social Work for approval. Any student who has completed M.S.W. coursework prior to matriculating to the College of Law, or who wishes to apply for the joint-degree following the completion of their first year of law school, must obtain prior written approval from the College of Law before applying for the joint-degree.

Social Work Curriculum

The College of Social Work programs require two internships for the traditional programs and one internship for the advanced standing programs. Students in the joint-degree program would complete their final M.S.W. internship in a law and social work placement, such as the College of Law's Children's Advocacy Clinic or the Attorney General's Office. Approved internship sites are coordinated through the Office of Field Education at the College of Social Work. There would need to be access to both an attorney and a M.S.W. supervisor at the internship site. Students who choose the Children's Advocacy Clinic for their internship may not take the course for law school credit.

The required cross credit courses for individuals pursuing either Clinical option (Traditional or Advanced) are:

- SOW 5125 Psychopathology in Clinical Practice (3 hours)
- SOW 5432 Evaluation of Social Work Practice (3 hours)
- LAW 5700 Torts (From the J.D. curriculum) (4 hours)
- LAW 7710 Family Law (From the J.D. curriculum) (3 hours)

The required cross credit courses for individuals pursuing either Social Work Leadership option (Traditional or Advanced) are:

- SOW 5238 Advanced Policy Analysis (3 hours)
- SOW 5334 Organizational and Community System Change (3 hours)
- SOW 5377 Personnel Administration i Social Services (3 hours)
- LAW 5700 Torts (From the J.D. curriculum) (4 hours)
- LAW 7710 Family Law (From the J.D. curriculum) (3 hours)

Note on Cross Credit: Because a joint-degree allows a student to complete each curriculum by taking fewer hours overall, each program will require that certain courses be taken from the other curriculum to cover the number of hours reduced from their respective curriculum. These courses are part of the respective program's curriculum and are not counted toward the credit requirement for the other curriculum. They may or may not be included in the normal core requirements of the respective program's curriculum.

Conferring of Degrees

Students in joint-degree programs receive both degrees concurrently. Students may not be certified as a graduate without having completed the graduation requirements in both colleges. This includes the Law upper-level writing requirement, the skills training requirement, and the pro bono requirement.

Residency Requirement

Unless otherwise approved by both advisors and the College of Law Associate Dean for Academic Affairs, students enrolled in joint-degree programs must earn a minimum of seven semesters of residence credit. Based on the College of Law formula for determining residency, one semester of residency credit is earned for every 12 credit hours of courses taken in the College of Law and the College of Social Work.
