

Joint Graduate Pathway Law and Urban & Regional Planning

The College of Law and the Department of Urban & Regional Planning joint graduate pathway in urban and regional planning, J.D./M.S.P., permits the completion of both programs concurrently. Current law students must meet with and submit all documents for admission to the College of Law Joint Graduate Pathway Coordinator before **July 1st** of their first year of law school. The College of Law Joint Graduate Pathway Coordinator will then submit their completed packet to the College of Law and the Department of Urban & Regional Planning for approval. Any student who has completed M.S.P. coursework prior to matriculating to the College of Law, or who wishes to apply for the joint graduate pathway after beginning their second year of law school, must obtain prior written approval from the College of Law before applying for the joint graduate pathway.

Applicants to the M.S.P. program must have a bachelor's degree from a regionally accredited college or university and are expected to have a competitive GRE score. Applicants should contact the Department of Urban & Regional Planning to obtain specific information on the necessary GRE requirement. Students in joint graduate pathways receive both degrees concurrently. Students may not be certified as a graduate without having completed the graduation requirements in both the College of Law and the Department of Urban and Regional Planning. This includes the Law upper-level writing requirement, the skills training requirement, and the pro bono requirement.

Residence Requirement

Unless otherwise approved by both advisors and the College of Law Associate Dean for Academic Affairs, students enrolled in joint graduate pathways must earn a minimum of seven semesters of residence credit.
