

Joint Graduate Pathway Law and Public Administration

The College of Law and Askew School of Public Administration & Policy joint graduate pathway in law and public administration, J.D./M.P.A., permits the completion of both programs concurrently. Current law students must meet with and submit all documents for admission to the College of Law Joint Graduate Pathway Coordinator before March 1st for summer admissions or July 1st for fall admissions during or following their first year of law school. The College of Law Joint Graduate Pathway Coordinator will then submit their completed packet to the College of Law and the Askew School of Public Administration & Policy for approval. Any student who has completed M.P.A. coursework prior to matriculating to the College of Law, or who wishes to apply for the joint graduate pathway after beginning their second year of law school, must obtain prior written approval from the College of Law before applying for the joint graduate pathway.

Applicants to the M.P.A. program must have a bachelor's degree from a regionally accredited college or university and an upper division (junior and senior) grade point average of 3.0 or better and official and currently valid standardized test score(s) from a nationally recognized graduate-level admission test (GRE, GMAT, LSAT, or other). * Required courses for the joint graduate pathway from the M.P.A. curriculum that will also be used as shared credit toward the J.D. degree. The following courses from the J.D. curriculum are required and will be used as shared credit for the M.P.A. degree:

- LAW 5522 Legislation and Regulation (3 hours)
- LAW 5501 Constitutional Law I (3 hours)

Note on Shared Credit: Because a joint graduate pathway allows a student to complete each curriculum by taking fewer hours overall, each program will require that certain courses be taken from the other curriculum to cover the number of hours reduced from their respective curriculum. These courses are part of the respective program's curriculum and are not counted toward the credit requirement for the other curriculum. They may or may not be included in the normal core requirements of the respective program's curriculum.

Conferring of Degrees

Students in joint graduate pathways receive both degrees concurrently. Students may not be certified as a graduate without having completed the graduation requirements in both the College of Law and the Askew School of Public Administration & Policy. This includes the Law upper-level writing requirement, the skills training requirement, and the pro bono requirement.

Residency Requirement

Unless otherwise approved by both advisors and the College of Law Associate Dean for Academic Affairs, students enrolled in joint graduate pathways must earn a minimum of seven semesters of residence credit. Based on the College of Law formula for determining residency, one semester of residency credit is earned for every 12 credit hours of courses taken in the College of Law and the Askew School of Public Administration & Policy.
