Weekly Tip #8: Main Campus Resources for Students

As a student at Florida State University College of Law, you are in a unique position to embrace the College of Law’s secluded position on campus and still access all resources that main campus has to offer. From the FSU Flying High Circus, football and basketball games, and more, you will find a multitude of different possible experiences available to you at Florida State University.

But first...

Campus Recreation

- Access to the Leach Center
- Fitness & Movement Clinic
- Group classes or one-on-one personal training
- Pool & Spa access
- Access to FSU’s Reservation: a 73 acre facility with canoeing, disc golf, swimming, a ropes course, rock climbing, and more!

FSU Athletics Student Tickets

Students are able to access student tickets to sporting events throughout the school year. Students will receive points based on their class standing and they will have an opportunity to acquire more points by joining the Student Boosters and also by attending other sporting events and activities. Student Spear-It Rewards points are accumulated by attending FSU Athletic events via the student ticketing procedures specified by the FSU Ticket Office.

Counseling & Psychological Services

Counseling & Psychological Services is fully committed to the health and wellness of our students, offering Telemental Health Services (through zoom), in-person services, and Telephonic Crisis Support to students.

Students can also attend daily psychoeducation workshops via Zoom which will focus on anxiety and depression or utilize WellTrack for self-help interactive therapy.

Entertainment

FSU’s newly re-built Student Union provides outstanding services and opportunities for the entire Seminole community. Check out the new FSU Bookstore to get your textbooks and FSU gear, Crenshaw Lanes to enjoy a night of bowling, or the art center to try your hand at pottery!

If you are interested in a movie, the Askew Student Life Cinema offers free movies to FSU students.

Our recommendation: check out the Halloween show at FSU’s Flying High Circus, one of two collegiate circuses in the United States along with Illinois State University’s Gamma Phi circus, and the only one with a big-top tent!
