Weekly Summer 1L Tips

Each week leading up to orientation you will receive one or two emails from admissions with tips or information to help your transition into our law school. Some emails will contain information only and do not require a response. Others, like today’s email, will require that you complete a task or respond in some way to ensure we have received all the necessary documents for your seamless transition.

We hope your summer is off to a good start and are looking forward to you joining us in August. Read this and you will send us all the information you need to know throughout the summer.

Tips About the Tips

The emails will be numbered (i.e. Tip #1, Tip #2, etc.) so if you miss one you can contact us to let us know which number you are missing. They will routinely be sent out on Friday.

This is the ONLY tip that will be sent to a NON-FSU email address. All future weekly tips will go to your myFSU email account. You created your permanent FSUID when you accepted your seat to pay the deposit. That FSUID becomes your FSU email address by adding @fsu.edu to it.

Go to https://webmail.fsu.edu to access your student email account.

University Health Services Requirements

The Immunization and Health Insurance Office at University Health Services is here to assist you with the mandatory Immunization and Health Insurance requirements for Florida State University students.

In order for us to register you for fall classes at FSU, all students are required to submit a one-time Immunization form, showing proof of two combined MMR vaccines and to either show proof of or complete a waiver for Hepatitis B and Meningococcal Meningitis. For complete details, select the Immunization Requirements bandaid icon at the bottom of this page to access the form and instructions for completion.

Additionally, on an annual basis, FSU requires all on-campus students to show proof of health insurance coverage. For complete details, instructions for showing proof, or, if you do not have sufficient coverage already, and wish to see details for the FSU sponsored plan through United Healthcare Student Resources, select the Insurance Requirement card icon below.

The deadline to have the immunization and health insurance requirements completed is July 1. To resolve compliance issues for either immunizations or health insurance, send an email to healthcompliance@fsu.edu, or you may call either 850.645.8583 or 850.645.0243 and leave a message.
